COMMUNICATION INNOVATION

SCORCHING NEW VODAFONE BUSINESS UNLIMITED TARIFFS AVAILABLE THIS SUMMER!

Vodafone has launched a ground-breaking set of new 5G-ready tariffs. Each new plan comes with:

- **Unlimited minutes, texts & DATA**
(the first network to offer this on 5G)
- **Amazing roaming benefits**
- **100 UK to EU minutes**
- **Exclusive access to a range of entertainment packages**
(Unlimited with Entertainment plans only)

All plans are future-proofed by being 5G ready and offer varying speeds depending on the user requirements.

BENEFITS

- Peace of mind - no more traditional out-of-bundle charges to worry about
- Personalisation - customers can choose the data & content preferences to suit their lifestyle
- Future-proofing - customers can opt to be 5G-ready for faster internet & more efficiency
- Unlimited minutes, texts & data - the first of its kind!
- 24-month entertainment packages - a choice of Sky Sports/Spotify Premium or NowTV
